

YOU ARE INVITED!

Who Can Register:

Students entering
8th grade in
2017-2018
school year

Time:

Monday-Friday
8:15 am-11:00 am

Cost:

- FREE
- Breakfast Included

MC² MathLab™

Locations:

Las Cruces
June 5-9, 2017

New Mexico State University

Los Lunas
June 12-16, 2017
Los Lunas High School

Española
June 19-23, 2017
Carlos F. Vigil Middle School

What are ratios, proportions, and rates of change good for?

Join mathematicians and teachers in doing cool activities where we can use ratios and proportions in ways that make sense to us.

We will be exploring:

- How ratios, proportions, and rates of change can be fun and meaningful
- How we use rates of change to help us solve real problems
- How to make sense of key math concepts that will help us succeed in Algebra

Activities are aligned to the New Mexico Common Core State Standards for Math
