Understand the Summary and Assignment Tabs

If you only give an assessment once, your summary and assignment tab will contain the same data. Your summary tab will be editable.

Clicking the green plus sign adds an assignment...

Once there is more than one tab, the summary tab will include the date. Note in the image below, students who have a retest have a different date and arrows to open assessment history.

New Menu Locations

Three-Dot Menu to the Right of "Student"

Three-Dot Menu, on Hover, on Assignment Tab Right-Click the Top of a Column
