

Screeners Guide for Math Out of School Time/High Dosage Tutoring (MOST/HDT) Teachers – Fall 2026

Important Note

If the guide indicates giving your student a MODIFIED screener, please ensure a **Notice of Modified Screener** is present on the copy of the assessment you're using. It will appear on every page and will say something like "Modified for MOST/HDT – Fall 2026: Use with 4th, 5th, and 6th grade students."

Screeners to Give by Student Grade

1st Grade

Give the [1st Grade Fall](#) Screener. Students scoring between 10 and 19 are recommended for MOST/HDT.

2nd Grade

Give the [2nd Grade Fall](#) Screener. Students scoring between 10 and 19 are recommended for MOST/HDT.

3rd Grade

Give two screeners:

- [2nd Grade Fall](#) Screener
- [3rd Grade Fall](#) Screener

Students scoring between 10 and 19 are recommended for MOST/HDT.

4th, 5th and 6th Grade

Give the 3rd Grade Midyear – MODIFIED Screener. Students scoring between 0 and 15 are recommended for MOST/HDT.
